

## **New Director Nominees – Details**

### **Dr Josephine Braid**

Dr Josephine Braid has been practising as a Rehabilitation Physician since 2009 and has expertise in neuro-rehabilitation, in particular brain injury rehabilitation. She resides in Orange, NSW with her family and works in Bathurst Health Service. Dr Braid regularly facilitates Schwartz Rounds there. She is also a certified Leadership Coach and has a focus on clinician wellbeing strategies at the individual, team and organisation level.

### **Dr Kellie Nichol**

Dr Nichol is a Rehabilitation Medicine Physician, employed by Health NZ – Southern. She has a special interest in neurorehabilitation, in particular acquired brain injuries.

Dr Nichol have been an AFRM fellow since 2013 and has held several AFRM and RMSANZ committee memberships. Currently she is a member of AFRM Aotearoa committee, Aotearoa representative on the Faculty Education Committee, and previously was the Aotearoa representative on the Faculty Training committee. She is also the co-chair of RMSANZ Aotearoa branch, RMSANZ Advisory Council member and co-convenor of RMSANZ 8th annual scientific meeting to be held in conjunction with New Zealand Rehabilitation Association in 2025.
